SCHOOL OF CREATIVE & PERFORMING ARTS

After-School: Hip Hop Dance & Art with the Masters

Proctor Terrace Elementary School After-School: Dance & Art

Art & Soul School is excited to offer dancers the opportunity to begin to explore original and current “**Hip Hop**” style movement along with some exposure to the culture and music that influence it. As Hip Hop is largely about community and freedom of expression, dancers will be encouraged to add their own personality to movement, support their peers in showcasing what they've learned on the last day, and most importantly HAVE FUN! Dance Dress Code: Comfortable clothes to move in such as T-shirt's, leggings, sweats, and sneakers are encouraged class attire.

Art & Soul School is also continuing to offer “**Art with the Masters**” enrichment class at Proctor Terrace Elementary School this Winter. This art class focuses on multiple medias that are explored throughout the year: from clay building, to painting, to collage, to sculpture, to oil and chalk pastels, and much more. Students also learn about famous artists, like Picasso and O’Keeffe, in this class.

To register, please login at: www.ArtandSoulSchool.com and sign-up under Proctor Terrace Elementary School or fill in the form below and mail or email to Art & Soul School. **Do not turn into the office.** Class **minimum of 5** and **maximums of 20** will be upheld.

Policies: You can start or stop at the beginning of any month. Once enrolled, you will be automatically enrolled for the year. If you wish to discontinue, please make sure you give Art & Soul School (not the teacher) written notice, during the first week of your last month (i.e. to have Dec.30 be your last day of the class, let us know by Dec. 7th).
