

“TOGETHER WE RAISE A BETTER FUTURE!”

Welcome to all our new and returning PT Families!! We are ready for an exciting and productive school year!

As you are all aware Proctor Terrace PTA has fundraisers throughout the school year to pay for things that are not fully covered by the school budget:

- Garden coordinator and supplies
- Field trips and transportation
- Art docent program supplies
- Classroom enrichment
- Annual drama play
- Sports and more

With last year’s contributions and other fundraisers, we were able to fund these programs **AND** complete our goal for each classroom to have its own **Chromebook Cart!!** A huge thank you to all of you for making this happen!

We would like to start this school year knowing we will be able to continue our wonderful programs and further support for the school and children; therefore, we are having a two-week **family contribution kick-off Wednesday, August 21st – Friday, August 31st.**

Our hope is that each family can contribute \$200 per child. Through the partnership of our Parents, Teachers and Administration we give the best possible education to our children. Thank you for your tireless support for the entire Proctor Terrace community!!

Sincerely,
Your PTA Board
