

Art & Soul

SCHOOL OF CREATIVE & PERFORMING ARTS

After-School: Hip Hop Dance & Clay Building

Proctor Terrace Elementary School

Art & Soul School is excited to offer after school enrichment classes for Art and Dance.

TK - 3rd Grade: Clay Building - Calling all Artists! In this class students will work with Air dry clay. Students will make items from flying pigs to DJ dogs. No clay experience necessary, but the class does take fine motor skill and concentration. Students will create new projects to take home each week! Projects will be different from last session.

2nd-5th Grade: Hip Hop Dance class explores various Hip Hop styles of movement along with some exposure to the culture and music that influence it. As Hip Hop is largely about community and freedom of expression, dancers will be encouraged to add their own personality to movement, support their peers in showcasing what they've learned on the last day, and most importantly HAVE FUN! Dance Dress Code: Comfortable clothes to move in such as T-shirt's, leggings, sweats, and sneakers are encouraged class attire.

To register, go to: <https://artandsoulschool.opus1.io/w/pt/>
Class **minimum of 5** and **maximums of 20** will be upheld.
