Let's Put on a (Holiday) Show!

An after-school theater class and silly "mini-play"

Join us for an exploration of all things theater in a safe, creative environment! Young performers will learn stage terminology, dive into script reading, play new and classic improv games, and participate in a fun holiday-themed "mini-play" for friends and family on the last day of class. This course is available to all Proctor Terrace students in grades 3-6.* All experience levels and abilities are welcome.
