

LEGO® Engineering

At Proctor Terrace Elementary School

At Play-Well TEKnologies, students are encouraged to unleash their inner engineer as they design and build with tens of thousands of LEGO® pieces and the guidance of our passionate instructors. They will explore fundamental STEM concepts as they learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.

**October 20th-
December 8th
Mondays
2:30-4:00pm
Grades 1-4**

STEM FUNdamentals Using LEGO Materials

Level up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are rotated seasonally to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.
